ICS Annual Report **1st April 2010 to 31st March 2011**

1. OVERVIEW

Introduction to the Institute of Chinese Studies

The Institute of Chinese Studies (ICS) grew out of the China Study Group which was initiated in 1969 as an informal, interdisciplinary forum of scholars working on China at various universities and research institutes of Delhi. The Group conducted fortnightly discussions on contemporary topics, and helped sustain *China Report*, the only Indian journal on China and East Asia. In 1990, the China Study Group was reconstituted as the Institute of Chinese Studies (ICS), an interdisciplinary East Asian research programme of the Centre for the Study of Developing Societies, Delhi.

The main function of the ICS is to promote the systematic study of China and East Asia in India by initiating and supporting research programmes, both within the Institute and outside. It seeks to provide a forum for sustained scholarly exchange and interaction between Indian academics and scholars from China and other parts of the world, to build up resource materials and a data-base on China, to disseminate information and research findings to a wider public, as well as to train younger social scientists in East Asian Studies.

Over recent years, the ICS has received financial and other support for its activities from a number of sources, including the Ministry of External Affairs, Government of India; the Indian Council of Social Science Research; the Ford Foundation, New Delhi; the Japan Foundation; the Sasakawa Peace Foundation, Japan; the Confederation of Indian Industry (CII); and the Tata Iron and Steel Corporation (TISCO). Recent years have also seen the consolidation of three new ICS programmes: the East Asia Programme, the Chinese Economy Research Programme, and the India-China Comparative Studies Programme, as well as the initiation of research focus on Vietnam and Korea.

ICS has been the nodal agency for the Bangladesh-China-India-Myanmar (BCIM) Forum for Economic Cooperation and the China-India-Russia Trilateral Academic Conference, as well as a foundation member of the Boao Forum for Asia (BFA), Hainan. The Institute also has MoUs with a number of institutions in China and elsewhere in Asia to promote academic cooperation and research activities.

Three members of ICS Prof. Tan Chung,(Emeritus Fellow,ICS) Prof. Manoranjan Mohanty(Chairperson,ICS) and Prof. Sreemati Chakrabarty (Director,ICS) received the China-India Friendship Award in December 2010 from the Chinese Premiere Wen Jiabao for their contribution towards promoting India- China friendship.
